LION'S CLUB OBJECTIVES

TO create and foster a spirit of generous consideration among the people of the world through a study of the problems of international relationships.

TO promote the theory and practice of the principles of good government and good citizenship.

TO take an active interest in the civic, commercial, social and moral welfare of the community.

TO unite the members in the bonds of friendship, good fellowship and mutual understanding.

TO provide a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO encourage efficiency and promote high ethical standards in business and profession: provided that no club shall hold out as one of its objects financial benefits to its members.

PROFILE OF A LION

HE is a respected citizen of his community.

HE is reverent to his God, loyal to his Country and uncompromising in his devotion to both.

HE raises his glass in the "Lions Toast" and thereby acknowledge in concept the equality of all Lions the world over.

HE recognizes authority, accepts responsibility and exercises self discipline, realizing that only through proper organization can Lionism achieve its greatest goals.

HE gives willingly of his time, energy and substance to assist his community and the needy.

HE meets regularly with his fellow Lions and through the common denominator of "Friendship" confers, plans and carries out the objectives of his Lions Club.

HE is an ordinary guy, enjoys fun and good fellowship, although not perfect he is ever mindful of "Human Concern."

Mensaje Del Presidente

La responsabilidad que me han encomendado y la cual espero cumplir con la cooperación de toda la membresía del "Borinquen Lions Club." Es de suma importancia para mí, debido a que una de las metas que espero cumplir en mi administración, es poder ayudar en los campos de la salud a toda la comunidad puertorriqueña e hispana que reside en nuestro distrito.

Miguel E. Rodriguez

Es una necesidad que nosotros participemos y entendamos parte de la filosofía de la organización que todos representamos. El campo de la salud es la mayor responsabilidad de Los Leones, debido a que tenemos que darle atención especial a las personas ciegas y con defectos visuales. Pero también enfocamos otros campos de la salud la participación de todos nosotros, en unión a la comunidad, será de gran beneficio para poder coordinar un banco de sangre, en el cual tendrán prioridad para recibir ayuda todas las familias que contribuyen con esta noble causa. Es por esta razón que le pido a la matrícula de este, recién creado capítulo leonístico que tenemos que trabajar con dedicación y comprensión de la responsabilidad nuestra, la cual nos llevará a lograr gran aceptación en todos los proyectos que organizemos durante nuestro termino del año 1980-1981, los cuales serán varios.
